**THINK:** As you anticipate what is to come in The Revelation, ask yourself the following questions: *Summarize the first three chapters of The Revelation? What does it mean to you that Jesus Christ is the One inviting John to experience The Revelation? What is your current understanding of what’s to come in Chapters 4-22? Review the four interpretive approaches to The Revelation covered in this message and in your own words explain why the “futurist view” is the best way to interpret the book. What misapplications and abuses of The Revelation have you heard or seen?*

**DO:** Identify what you hope to gain from our continued study of The Revelation. Do you seek INFORMATION or TRANSFORMATION? Or both?
