READ: Revelation 6:9-17

THINK: As you continue to contemplate the purpose and extent of God’s future judgment on the Earth, ask yourself the following questions: *What does opening the 5th Seal reveal? How does this inform our understanding of the persecuted church today, if at all? Try to describe global pandemonium in your own words in light of v12-17. Who can stand against the wrath and judgment of God? What should current natural disasters mean for us today? Are they judgments or warnings? Or both? How should Christians live in light of these terrible judgments God will bring upon humanity and the Earth? As you anticipate the Rapture and the Tribulation, what is God waiting for?*

DO: Are you experiencing God’s judgment or His salvation? How do you know? How are you prepared for what the future holds? Make a list of what it means for you to live “spotless, blameless and at peace with Him” at His appearing.
